**FREE NO OBLIGATION INSPECTION**

**Purpose:** Telge Roofing is committed to providing exceptional roofing services to our customers. As part of our commitment to transparency and customer satisfaction, we offer free roof inspections to homeowners and property owners. This policy reviews the guidelines and procedures for conducting free roof inspections. This policy applies to all employees and contractors of Telge Roofing involved in conducting roof inspections.

**Eligibility:** Free roof inspections are available to homeowners and property owners within our service area. The inspection is intended for customers seeking information about the condition of their roof and potential roofing needs. If Telge Roofing provides a written report to the requestor, there will be a cost of \$125.00

**Scheduling:** Customers can request a free roof inspection by contacting our office through our website, phone, or in-person. The scheduling department will work with the customer to find a convenient time for the inspection.

**Inspection Process:** Our qualified roof inspectors will visit the customer's property at the scheduled time to assess the condition of the roof. Inspectors will thoroughly examine the roof's structure, materials, and overall integrity.

**Inspection Report:** After the inspection, a detailed report can be provided to the customer. The report will include findings, photographs, and recommendations regarding any necessary repairs or replacements. This will need to be requested at the beginning of inquiring with Telge Roofing with your inspection request.

**Transparent Communication:** Telge Roofing is committed to transparent and honest communication with customers. Inspectors will clearly explain their findings and provide recommendations in a straightforward manner.

**No-Obligation:** Customers are under no obligation to hire Telge Roofing for any services following the free roof inspection. We provide this service to help customers make informed decisions about their roofing needs.

**Privacy and Security Data Protection:** Telge Roofing takes the privacy and security of customer information seriously. All information gathered during the inspection process will be handled in accordance with our privacy policy and applicable data protection laws.

**Compliance:** All employees and contractors of Telge Roofing are expected to adhere to this policy and conduct roof inspections in compliance with local laws and regulations.

**Review and Updates:** This policy may be reviewed and updated periodically to ensure its continued effectiveness and relevance. Any updates will be communicated to all relevant personnel.

**Conclusion:** Telge Roofing is dedicated to providing high-quality roofing services and maintaining open communication with our customers. Our commitment to offering free roof inspections reflects our commitment to customer satisfaction and transparency in our operations. By following this policy, we aim to build trust with our customers and help them make informed decisions about their roofing needs.
